

# Contract Research

**Providing cost effective customized solutions to biotech industries**

**Our core competency.....**

**Recombinant gene expression in E Coli & Yeast**

**Construction & screening of cDNA libraries**

**Real Time PCR amplifications**

**Gene expression studies**

**Protein purification**

**Mutational analysis**

**Assay development**

**Viral load estimation**

**LAMP based assays**

**Cloning**

**Experience, Responsiveness,  
Innovation and attention to  
details are our hall mark**

*Experience the expertise .... !!*

**RAS Lifesciences Private Limited**

Plot No :13, 4-7-18/13/2, Raghavendra Nagar  
Near Vyjayanthi Theatre, Nacharam, Hyderabad-500076
